The **Peaked Hill Trust** is a non-profit membership organization whose principal mission is to protect, maintain, and preserve for use, the dune shacks of the Cape Cod National Seashore. Central to this mission, is providing time and space to artists and creative visionaries, as well as the community-at-large, predicated on the belief that low-impact living in the unique beauty and solitude of the Outer Banks is of intrinsic value to all people. The Trust currently manages five dune shacks available for use by lottery to its membership, and through juried residencies in the arts and sciences. Shacks include Euphoria, Thalassa, Zara, Ray Wells and Margo-Gelb/Boris (OCARC) each maintained by dedicated volunteers.

**Contributions to the Peaked Hill Trust, a 501(c)(3) nonprofit organization, are tax-deductible as allowed under applicable law.**
